Opening Reading: From the 12 Traditions of NA Basic Text pg 64

The Second Tradition concerns the nature of leadership in NA. We have learned that for our Fellowship, leadership by example and by selfless service works. Direction and manipulation fail. We choose not to have presidents, masters, or directors. Instead we have secretaries, treasurers and representatives. These titles imply service rather than control. Our experience shows that if a group becomes an extension of the personality of a leader or member, it loses its effectiveness. An atmosphere of recovery in our groups is one of our most values assets, and we must guard it carefully, lest we lose it to politics and personalities.

Literature Sub-Committee: On 8/5/2012 we sold 1006.95 of literature. Of that 819.05 was cash, 97.25 was in checks, 42.65 went to H&I and 48.00 went to PI. I ordered 1004.80 more literature on 8/14/2012. The total value of the literature inventory is now 2189.79. This was the largest amount ever sold by the Off the Wall Area Literature Committee. I apologize for any inconvenience experienced due to the rush and my own inexperience. I have been informed by Dave A that “Living Clean: The Journey Continues” will be available in October and the gift edition in December, just in time for Christmas.

Merchandise Subcommittee: Candain M. We do not have any new merchandise, hopefully we will by CRCNA we are trying to make it work that we will have quite a bit of merchandise but at an inexpensive price. Esperanza De Vida is giving us some merchandise.

Activities Subcommittee: We met this morning and were hosting the CRCNA hospitality room on Saturday night from 6-8 pm. We also discussed the money. We believe that clean serene freaks lit order fits so 259.95 that was ok with us. That will leave the area activities 446.60. Thanks for letting me serve, Taylor M

Treasurer: Lyndsay acting treasurer 305

CRCNA Liaison: Kurt B reporting. All rooms are sold. If you need a hotel Holiday Inn is offering at same price. We still have desert bar, buffet, will go fast. After Speaker jam in Conifer the registration goes up to full price. Question: Will they make the flier available online? Yes. If you have costs involved with printing fliers for your groups you can submit for reimbursement. Question: How many rooms? 290 room nights booked.

Again, please have a written, preferably typed so I can read it, copy of all committee, subcommittee, and Adhoc committee meeting minutes given to Secretary. Thanks

Old Business

Accounting spreadsheet for transparency. It is a simple spreadsheet to show how much groups donated, activities raised, just a sample.

Questions:

James- I think it's good what I like is that it shows the expenses as well.

Penny- We are very happy with the results as well. Is that something that would be printed out and given at area.

Dave- Ideally. Keith will bring it to area and then be able to have a starting point that is the intent ideally.

Poker run accounting will be discussed in motion.

Adam- I just wanted to mention that the literature we purchased is mostly pamphlets and stuff we give away

Dave- The lesson we learned is better communication.

New Business

Please announce that Phone line needs Larimer county volunteers.
