Motion 1: To have OTW Area email list be designated as acceptable communication form for official Area communications. Made by Joe K and 2nd by Erik J. Passed by majority vote.

Motion 2: To give News Letter subcommittee double its money, due to possibly needing a new printing company. Motion moved into form of disbursement.

Motion 3: To have Ellen make a list of books, key tags, made by Dale L, 2nd by _____. Intent is to support a meeting that is doing a great job of carrying the message, and to make sure that this meeting does not fail. Motion passes by majority.

Motion 4: To change guidelines of where ASC will meet made by Jim M., 2nd by Dawn H. Intent is to have consistency in our meeting place, Pulliam Building in Loveland that fits all our needs, Loveland is centrally located for all OTW addicts, Pulliam is city owned and would provide stability for a meeting place, to not be affiliated with a recovery house or spiritual building, promotes a positive face for NA, and finally, places NA in a larger community. Stated, "From It Works, How and Why, Pg. 216: 'Our common welfare depends on NA Unity. The only hope we have of maintaining that unity amidst the tremendous diversity we find in NA is by the application of certain common principles; those found in the 12 Traditions. So long as we place the practice of those common principles before the exercise of our individual personalities, all will be well.'" Motion was withdrawn.

Motion 5: That ASC meetings be permanently in Loveland at the Pulliam Building, Made by Joe K., 2nd by Erik J. Intent is that it is central, cheap, good meeting room, and 1 block from espresso. Motion passes by majority.

Open Discussion

This discussion took place at the beginning of the ASC meeting.

Stated that the meeting place be sent to Brad with the change of a meeting place, so that he can post it to the GSR Checklist

Stated that there needs to be a steering committee formed to change the location of ASC meeting place
Stated that the Chair acted on his own, and did not follow our Guidelines, nor did he contact the Vice-Chair prior to making the decision 3 days prior to ASC.

Stated that "The Blast" is a means of communication to filter through to all members, was also stated that this form of communication did in fact work

Stated that there was a lot of self-will used in changing the location in such short notice

Stated that we have Area events in public places, so why not ASC.

Stated that once location was stated in the ASC minutes, the location should have been held in that place

Stated that we already have a place to meet, so why do we need to find a new one
