### **Officer Reports**

**Chair:** Many thanks to Lyndsay and Victor for their help last month on such short notice. I'm sure I was not missed at all. In Feb, I attended all sub-committee mtgs as well as an impromptu merchandise mtg. Thanks to Steve and James and Josh for their help with merchandise. If you missed the Un-Valentine's dance, and most members did, you lost out on a night of fellowship, frivolity and frolicking. I bought a swiper and tried to set it up but it required a street address not P.O. Box and didn't like the info I put in. So, I will try again using the EID that is on the ASC checking acct. Kudos to the Primary Purpose group for holding traditions book workshop. Lots of good info was brought up and shared. New mtg schedules are available with only the charge to XX Genes. The guidelines were changed to reflect the reinstatement of the 6% surcharge. Per article VII section D, subsection e, an audit was performed using the data sheet attached along with bank statements. An online login was created so that the executive committee can check the bank balance at any time. I am grateful that I was able to answer calls on our Phonline. In Loveland & FTC please announce that we need members with >1 yr to help.

**Vice Chair:** 3/2/2013

This month I attended the Subcommittees. We actually had all subcommittees this month in Windsor. Literature is going to start having their subcommittee after activities. I attended the Un-Valentines dance which wasn't very well attended but I had fun fellowshipping with other addicts.

I have decided that I will be filling out an application to go into the Weld County Jail. Going to school at night doesn't give me very many opportunities to attend; however, I will apply so that when I get the time to go in I can. H&I is in such great need that they will take anyone who meets the requirements for help whenever you can go. It doesn't have to be a huge commitment but an hour or two once a month or once every few months if that is all you can do. Please talk to fellow addicts about their service commitments, think about whether you can help, and come to the subcommittee to find out more information.

Thank you for letting me be of service to Narcotics Anonymous. Giving back to this program is what keeps me clean.  
ILS,  
Lyndsay E.

**Secretary:** Jennifer C

**RMC 1/RCM 2:** Ray / Stephanni check email blast for info on go to meetings They are being used all throughout the region for the CRCNA submeetings. good way to stay involved and they have a app for it. region assembly in April in southern area? Centrally located for April region meeting. 3<sup>rd</sup> week of the month? One thing about the assembly they like to have an activity especially if it involves travel. Josh: Very important that off the wall gsr attend assembly and have a vote. Liliias: I will definitely do my best if anyone needs a ride let me know.

**Hospitals and Institutions:** attached

**Public Information Subcommittee:** attached

**Literature Sub-Committee:** We sold \$492.70 worth of literature of which \$104.30 was for H&I and \$19.80 was for PI. We owe Clean Serene Freaks \$17.50 for Living Cleans they were charged for which I did not catch until later. That will make our total sold \$475.20. That brought the literature inventory value to \$1374.09. I ordered \$569.69 more literature bringing this month's literature value to 1943.78.

I went to the Un-Valentines Dance with all of the books listed in last month's Literature Committee report. I sold three books for \$59.90. One gift edition Basic Text, one Just for Today gift edition and one How It Works and Why gift edition. These will not show up on this month's totals as they were sold after last area.

I am requesting a disbursement of \$8.30 for a one and two year medallion that I ordered as a part of a special order I made for a 39 and 40 year coin for the Drug Busters group for Kathy's 39<sup>th</sup> anniversary. I had to order the two extra coins because WSO does not allow online orders of less than ten dollars and this was a rush order. The \$8.30 is for two medallions at \$2.90 each and half of the \$5.00 shipping charge. I also would like to be reimbursed for some copies I had made and more brown envelopes that cost me \$5.97. That is the total of \$14.27.

**Merchandise Subcommittee:** James reporting: Questions; are we going to make the cups Josh I am the unofficial vice chair for contact Steve B. They have the entire logo on them. Dave A: They are clear cups for 6 bucks on the other side you can get your name which would be 8, and your clean date for 10. Steve B is taking orders as well. Those are made to order, paid for in advance, trying not to outlay more money for stuff. Merchandise is up for reelection.

**Activities Subcommittee:** Questions: Stephanni:" I am floored that the dance ended at 9 and they all went upstairs to play poker. People lose their lives over gambling. How much money did this dance make? 14.60.

**Treasurer:** As of this bank statement \$563.15. Deposit \$312.12 from New Years Eve bash. \$295.00 in 7<sup>th</sup> tradition today.

**CRCNA Liaison:** Logo/Theme contest has been extended.

**Again, please have a written, preferably typed so I can read it, copy of all committee, subcommittee, and Adhoc committee meeting minutes given to Secretary. Thanks**

Victor Pi met on the 23<sup>rd</sup>

There were 8 addicts present

Webmaster- everything good 50-100 visits per week. We are like at 2000 visits since November

Made updates to xxgenes meeting

Phoneline is now in Fort Collins. I had it for three weeks first two weeks slow last week was nutty. We need more phoneline volunteers in Fort Collins. Going back to Greeley at the end of this month. I had wanted to go down

Dave informed me that our phone costs have not gone down to 43 dollars as I previously thought but more like 79. I will try to make those changes.

Boulder area still has wrong phone number for our area

High Schools- Zero responses to our letters, asked subcommittee if we should continue to pursue with phone calls.

Voted not to concentrate on professionals and colleges instead.

Radio stations- 2 members contacted stations with mixed results. One kept ringing. The other said they need to be paid. I contacted two that said they would welcome psas on their station. We are contacting the Wyo-Braska area to make sure they are not conflicting.

Greeley Tribune a member has been putting our meeting in the daily planner. A couple in every week is added with our meeting, phone number etc.

We are still in by weekly announcements of our meetings with web address and phoneline number.

Rubberstamp made with our phone number going out on all literature.

Hospitals and Institutions report for the Off the Wall Area Service Committee March 3<sup>rd</sup>, 2013

The H&I subcommittee was held Feb 23<sup>rd</sup> with 12 attending, including new to the committee Dawn K. Penny was re-elected as secretary. Thanks you both for you service.

In Larimer County Jail- Women's- we currently have at least 4 members going in, and Dawn H has also started to go back in as well. We are going in on the 2<sup>nd</sup> and 4<sup>th</sup> Monday and doing a literature discussion. We are looking for a panel coordinator at this time.

In Larimer County Jail- Men's- we currently have at least 4 men going in on the 1<sup>st</sup> and 3<sup>rd</sup> Thursday. This is a panel presentation with the men sharing their experience, strength and hope about addiction and recovery. We have a new panel member, Dave A going in. We also have elected a Panel Coordinator- Dave A. Welcome and thanks ☺

Attendance is up and down (believe I reported it was down, but it was corrected in that it fluctuates)

The Detox Center in Greeley goes in every Monday. This is usually a literature discussion. As we have had one member step down, we've had another step into place. Attendance is good.

The North Range Behavioral Health Treatment (TRT) meeting is every Wednesday and is going well. This is a literature discussion, based on Informational Pamphlets and the Basic Text. Meetings are well. Karl W was reelected as Panel Coordinator, thanks for your service. ☺

Weld County Jail-women's- we have two going in every other Tuesday and usually reading stories in the basic text or other literature. Meetings are going when we get in. Have been addressing the cross talk and staying focused on the meeting. A suggestion was a format change. Have 6-10 women attending. Also current members are required to re-apply, as they do every year. Need more women to go in, and have an application being reviewed for the men's.

Platte Valley Youth Correctional Facility- Kas C continues the efforts to get back. We are still waiting back ground checks as the final step to getting cleared to go in. More will be revealed.

Weld County Work Release- This meeting is a literature discussion and goes every Thursday. Attendance is good, averaging 9. Have Shane, Sjon and James going in. Greg P was elected as Panel Coordinator, thanks for your service. We are still in search of a vice chair for the sub-committee. Requires 1 year clean and 6 months H&I experience- fills in for Chairperson and helps coordinate resources for panels. Panel coordinator position requires 1 year clean and 6 months H&I experience and be able to help coordinate resources for designated facility and help chair the meetings. Anyone interested in H&I please note—only 3 months to sit in on a panel and see what we do- 6 months to share your experience strength and hope for detox, work release and TRT. All other facilities are lock down- jails- and require 1 year clean, 3 years off paper, and a back ground check. Our next subcommittee meeting is March 23<sup>rd</sup> at 11:00 am at 1450 Westwood Drive in Windsor at the Vineyard Church. Please contact me if you have any questions 970-301-5334. ILS,
