OTW Area H&I Report  
 I attended the CRNA XXX Committee meeting on February 13th in Denver. I have Planchette Breakfast Flyers. You can go to the CRNA website to reserve your hotel room and there is also a schedule of where and when the subcommittees meet if you are interested in being of service. The CRNA F&E Subcommittee has put together a calendar of events for CRNA Fundraisers.  
 April 23rd - Pancake Breakfast. Breakfast 8:00/Speaker-10:00 3500 S. Logan St. Englewood CO 80113.  
 May 20th - Chili Cook-off and Game Night. Shepherd of the Rockies Lutheran Church, 106 Rosalie Road, Bailey, CO 80421. This event will start at 2pm and go until 6pm.  
 June 24th - Address Night Out at Lathrop.  
 July 30th - Movie in the Park. There will be a speaker and then two movie-one inside and one outside. Boulder CO.  
 August 27th - Event in the Off The Wall Area. The committee is open to putting on an event that appeals to our Area. The committee is asking for input.  
 September 24th - Mexican Dinner and Bingo, Colorado Springs, CO.  
 As far as entertainment at CRNA the committee is planning to do the silent disco again on Friday night. Since the convention is the weekend before Halloween there will be a Costume Dance on Saturday night. They are also bringing back the poker tournament and the art show this year. There will be a history room and they are asking for input from the Area's home groups. One idea is to donate a space for each Area to do with as they'd like. Examples such as put together a collage of pictures of people and events held throughout the year, also bring artifacts to display that are unique to each Area such as t-shirts, mugs, hats, frisbees, etc. U.S. Shen S.

Off The Wall Area Service Committee  
Vice Chair report

March 6, 2016  
 Hello Fellow committee members & guests:  
 There are a couple things going on this month that I can report on. First thing is I am in hopes that we fill the vacant secretary position before we end this meeting as I will not be here next month to take notes. We will be on the SCRNCAC9 the first week of April.  
 I was able to attend the sub-committees this past weekend & for the most part it looks like things are going very smooth. I would like to take a moment to thank Dyan for his service to the OTW area in Public Information what a great job you have done, with the help of your committee of course.  
 It was discussed at H&I that this area is in need up some volunteers to step & do some service in H&I, or it may cause some facilities to not have a presence from our message being carried in. I am pretty sure that our H&I Chair will expand on this also.  
 The last thing I need to report is due to some education classes that fall on weekends that interfere with area in Aug & Oct I will not be able to attend, I know that would be the next year business I just felt that I should let this body know so that We could be aware when elections come up in June.  
 In Loving Service  
 Ray B.
