Chair: Ray said something, but we weren't paying attention

Vice Chair: Vice Chair report for Feb 5th 2017,

I didn't make it to the ad-hoc inventory as I was eating breakfast with family that was out of town, and I also did not put it on my calendar. I reviewed the minutes from last month and they looked good to me. I did attend H&I, PI, merchandise and activities sub-committees. I got a new bank bag for the treasurer, as I lost the last one, fortunately, after the deposit was made. I tried to attend the Never Alone meeting in Sterling, I was 15 minutes late and no one was there. Tried to contact the opener and haven't heard back. Will try again next week.

ILS,

I.R.T. is expected to start meetings this coming up Tuesday evening if all goes well. We voted in a new Panel Leader for T.R.T. Karl W. T.R.T. will be adding 6 speaker meetings throughout 2017. All other facilities are going well. We are purchasing 125.00 in literature.

Merchandise Sub-Committee: Greetings. The Merchandise subcommittee met on 2/5/17 at 8:00 AM. There were 4 addicts in attendance. Thank you to those willing to be of service. We do not have much to report. We have plenty of merchandise in stock. We will not be requesting any dispersement from the ASC this month. We did not make any sales over the last month. I will be making an effort over the next month to visit more meetings around the area in an effort to bring merchandise to more addicts.

We will be at Dinosaur Days, Addicts Seeking Sanity's 20 Year Celebration as well as Unity Days. Please spread the word to your home group members as we continue to promote unity throughout the Off the Wall Area.

In Loving Service,
Shane R

CRCNA Liaison: The committee meeting on Jan 14th. They are requesting if your going to attend that you make your best effort to be on time as they have to pay for the venue and only have a set amount of time to conduct business.

We only have one subcommittee Chair left to fill and that is the F and E chair. Submissions for the logo contest are due by March 8th. They can be emailed to the CRCNA website or mailed to the CRCNA PO box. Sorry that I haven't brought any fliers. I was sure if I was the one to do it and I was also on a business trip this last week.

Service Body Inventory Suggested Solutions Report 1/21/17

- GSR welcome kit with what acronyms stand for, a copy of the ASC guidelines, how to sign up for blast, etc.
- Create a GSR trainer/liaison position or roll it into Vice Chair to help educate GSR's, with the freedom to do it how they see fit.
- Add the GSR checklist to the end of the agenda and clarify what GSR's need to take back to their home groups. Do not rush to finish, take time to fully communicate what happened and what needs to be done.
- Put Guide to Local Service online with GSR checklist.
- Update our web site for clarity.
- Have a link on our web site that can take us directly to the Regional activity calendar and message board. If our Regional web site is not up to snuff, ask our RCM's to suggest they hire a professional to fix it so that it can be used by all groups and areas and subcommittees to see what is really happening across the state so as to not have multiple activities on the same day for example.
- Update/simplify our phone line.
- Advertise N.A. on social media sites – Twitter, Snap Chat...
- Read the ASC mission statement at the beginning of each ASC and maybe after the break. Place it on top of the web site for service links.
- All sub committees to have copies of their written reports for the GSR's for better communication between the ASC and groups.
- Should Merchandise be an ad hoc group created annually or part of the Activities subcommittee?
- Bring a sponsee to the ASC to introduce members to area level service.

Was decided that these line items would be distributed to the appropriate subcommittees and officers accordingly.
