## Elections

RCM 1: open

Activities: CoDaniel nominated: accepted, qualified himself, did not pass. Still Open

## Unfinished Business:

None

## New Business:

Newcomer liaison position at meetings: male and female at each group, take back to groups to encourage this. This is really a group position.

Solutions group brought up a question around capture the flag. How does this pertain to special interest meetings like Clean Queens, where men are not allowed. Borrowing people from others is a suggestion. It was stated that groups may borrow other members to help them steal the flag.

Commented [o1]:

Consensus Based Decision Making Process training will take place after Area on Sunday February 2, 2020 presented by Shawn H.

Clean Queens asked about recycling tags and medallions to be used in their meeting. Wanted to make sure they were not breaking traditions or concepts.

**Proposals:**

Request a Guide to Local Service to Miracle on Oak Street. \$7.50: passed with consensus  
\$1000.00 donation total, both passed with consensus  
    \$500.00 to World  
    \$500.00 to Region

We propose to adopt "Show Me How To Live Clean" into the OTW Area as Mountains West no longer had a service structure: This did not pass due to guideline violation
