Officer Reports:

Chair: Thought we had Shawn added as a signer but the bank screwed up again. Contacted Hal as to whether 2 SC's could meet here after the ASC. Also contacted the owner of the coffee house about getting us a bill for the SC meetings three weeks prior to the ASC. Worked on parameters for new ASC meeting place and posted. Since CRCNA will be in OTW next year and possibly for the next 3 years total, quite a few people are running for positions. So please get vice chairs so as to have continuity as we will have lots of extra members in service next year at regional level. We don't want CRCNA to siphon off all our trusted servants. Gave key to open to Patti and extra P.O. box key to Jimmie. Chair term completed. Thanks for your service Dave!

Vice Chair: We now have a new card. Went to two events great BBQs. Ran late to activities today got the computer for Secretary and got donuts.

ASC Report

June 2, 2019

The H&I subcommittee meeting was on May 5th at Unity Club. Our subcommittee is going well we have great attendance. It has been a pleasure to see all of us come together to discuss business and come to solutions on some concerns we have been having regarding sponsorship within a H&I meeting. Per last area I discussed that we decided to place my number on the OTW Phonenumber to help increase members into H&I. I have gotten three calls from members wanting to becoming of service within H&I. As always though, we still need more members to fill panels so please do take back to your groups and announce that we would love to have members come to subcommittee meeting or please give them my number and I will point them in the right direction.
