Officer Reports:

Chair: Got together with Shawn H August 17th went to old bank to close out account. Then proceeded to new bank. We found that we had expired with the state and we need to get reregistered to open the account. August 24th went to new bank to fill out paperwork. Now we are waiting for approval for the account which may take up to 30 days. Did not hold an had-hoc for merchandise due to getting busy with my new house: sorry. Trying to get out and check other group consciences to get a better feel for the area.

Vice Chair: Absent with notice

Treasurer: In process of changing banks. Trade name with the state is inactive, had to update trade name with state which was \$20.00 and Shawn donated that. US Bank is telling us it can take up to 30 days to get trade name up to date before we can open a new account. Last month short \$18.00 , accounted for it on the spread sheet. Shawn and Jimmie will go to credit union to set up new account. Shawn will be out of the county next month so Kim will be filling in as treasurer. Jimmie and I were finally able to get a checking account setup with Canvas CU. There is no charge for the account which is great news! We already have debit cards so Lit will be ordered on-time and without having to pay for a visa gift card. I have gone through and verified that all funds are correct. This has been a wild couple of months with the banking issues and I really appreciate your patience. I missed a couple of items in the report at area due to not having all the bank data yet. Please review this report. I have verified it is correct and aligns with what we deposited today. All numbers are correct in this report. Let me know if you have any questions. Financials are attached at the end of the minutes.

Vice Treasurer: Continue to check the PO Box, in Fort Collins. The only item received was a local telephone book. I continue to review and check the treasure's final report and plan on attending the Treasure Ad hoc in Sept. Attending the ad hoc meeting in Sept and will be meeting with Shawn for Oct ASC.

Secretary: Thank you for including your meeting time(s) and address in your reports, however I will not be including those in the monthly minutes as we already have a meeting list provided. Be sure to get reports to me no later than Wednesday, September 4, 2019. Spent \$14.40 on donuts.

Hospitals & Institutions: The H&I subcommittee meeting will be at the majestic today and noon. Our sub-committee is going well, we great attendance. I have personally been announcing in the meetings that I go to for new members to get involved. I hopefully will have a couple new people coming to subcommittee meeting today. I as always ask that all gsr take back to their groups to announce that we are always looking for new members for H and I. At last H and I and PI meeting James has graciously volunteered to talk with Summit Stone. It sounds preliminary that we possibly might be adding a new H and I meeting. We will be discussing that more today and will report more on that at next ASC. We have a total Lit order of \$145.55 and not sure what are rent is for our new meeting place here at the majestic but I know it is less than \$15.
