Once the church opens we will be following all CDC recommendations and churches requests before opening face to face meetings. No Matter What: Sam N. reporting, Due to technological issues, I will not be able to attend the area meeting tomorrow. We talked to the church that holds our Monday night meeting in Fort Collins, and according to them they are looking at reopening around mid-July. They are also open to the possibility of us holding the meeting outside, which I personally think would be really nice. Besides that, our group really has nothing new to report. We haven't held a meeting since the pandemic started, so we are extremely excited and looking forward to things starting to get back to normal and us moving outside as safely as possible! We don't have a lit order or area donation at this time as we haven't been collecting any money since we were closed. Please feel free to email me back if there are any questions or concerns!

Primary Purpose: PP will be opening Thursday June 18th 7-8 pm. We will only have a max of 10 people inside the building and the church requires mask usage for anyone inside the building. We will not be serving coffee and the chairs will be 6 feet apart. We will also have a meeting in the lawn of the church so we can accommodate for more than 10 people (6 feet apart). Please bring your own chair and be respectful of people's preference with hugs. We won't be circling up at the end, just standing to do the closing prayer. An NA region on the East coast has created a sort of checklist for groups as they begin to open with the modifications required by the CDC and if anyone would like a copy I'd be happy to pass it along. Please reach out with any questions.

Solutions: Wanted to let you know that our Wednesday meeting at 1318 7th Ave in Greeley at 7:30 pm is opening back up on 6/10/20. In regards to masks they are optional. We are also going to open our Tuesday (6/9/20) and Wednesday meeting at noon at Glenmere Park 14th Ave and Lakeside Drive in Greeley. Please bring your own chair to the park at the South East end of Glenmere Park. Monday and Saturday virtual meetings still happening.

Steps and Traditions Roulette: Kurt B. reporting: We have been successfully holding a ZOOM meeting since our NEW WORLD ORDER came into play in early MARCH. THANKS JESSE T for all of the dedication and hard work he has done on his own to keep our Home Group assembled. Our meetings have been holding steady with 12 – 18 addicts. We have had visitors from California and Denver and even have a Home Group member in the mountains Love You AMY! We had a bowling event scheduled for MAY 4th that was a fund raiser for newcomer basic texts that we were going to donate to CRCNA. In light of that not happening because of our most popular disease we are going to set up a VENMO account in our meeting to donate to the cause. We have also decided to go back

to a LIVE meeting that will meet outside using social distancing and continue to use ZOOM for members that do not feel safe. This will officially start next Thursday Evening at 6:46 pm. We meet at 1412 W Swallow Rd in Fort Collins. We will have a basket for the 7th tradition and our Basic Book Drive! Thanks for letting me serve. Please let me know if you have questions. Public Information Report June 7th 2020

Hello to all,

Since we last met the sub-committee met and we now have Facebook guidelines as well as updated phone line guidelines, both of which have been sent out on the blast and the phone line guidelines are available on the OTWA website on the Public Information portion. We will be rotating the Facebook administrators at the upcoming subcommittee meeting today at 1pm. We are also in need of a vice chair. Zach and I dropped literature off at 4 out of 5 facilities we have literature at, the Larimer County Day reporting center in Loveland is being relocated and will be done by late summer/early fall. We took 6 flyers to Summitstone for their buildings. We have Karl W. sharing his story online this upcoming Monday as part of our 6-week rotation for Summitstone. I have prepared a budget, based on an average of current operating expenses. The big one to note is our web provider, it is bi-annual and is due in March and runs \$306.10. Anyone wanting physical meeting lists can request them and we can get those to you for those meetings that are meeting in person. With help from Kathleen L., Lyn J. and Caitly M., Kim W. and Geena R. we contacted some 63 facilities and sent 41 emails in a growing contact list of facilities and sent them an updated statement, meeting information, deaf and hard of hearing meeting lists, literature order forms and links and event flyers. We will send out new information as significant changes are made.
