Made rounds April 4<sup>th</sup> to all facilities in our area to fill racks and drop off meeting lists. Made call to another interested member to see about going along, his schedule didn't allow him to go this time. Made a stop by NRBH detox as they have had a rack from H&I for 2yrs, and thought it

might need to be filled. It did (I felt this an appropriate PI thing since no H&I is going in and I had lit on hand). It is now filled! Had a request from a member to contact someone from the Community Grief Center. I left name, number and a brief message – I haven't heard back. (PI Chair also reached and left message)

Am requesting \$8.75 in literature.

**Merchandise:** Amy K./Patrick G. reporting – Hello OTW Area!

Thank you so much for letting me serve as your Merchandise Chair since December 2019.

From the beginning of my time as chair, I'd hoped to show the subcommittee the myriad of options we have as servants in recovery. Illustrating the spectrum of choices ranged from moving to disband the entire subcommittee on my first day, to halting the printing of hateful imagery in 2020, all the while requesting \$600 a pop on 4 occasions for fantastic merchandise. Anything is do-able as long as the body approves it through the voting process outlined in our guidelines. It's been a heck of a ride and the only service position where I've been the subject of a redress for personal grievance at 3 different meetings.

I think we did alright, as we managed to promote unity and make more than our original seed money. Go, us!

It is with great enthusiasm I nominate PATRICK G. as Merch Chair. He has worked tirelessly behind the scenes to produce and provide merchandise for OTW as vice chair of the sub committee. His attention to detail and dedication is off the charts, plus he is teachable and humble, while eager to serve. Thanks for the memories and all the support, fellow addicts.

ILS-

Amy

It took longer than expected, but the spring merchandise is in and available for purchase. Colors and styles are shown below, shirts are \$20 and tank tops are \$15. We'll be visiting different meetings to get this stuff out there, but anyone can order by sending an email to [otwmerch@gmail.com](mailto:otwmerch@gmail.com) and we'll get it delivered.

The merchandise for spring has been picked up and we are ready to start distributing it, pictures have gone out to the blast. We have a mix of t-shirts and tank tops in navy blue and black colors and in various sizes. Cost will start at \$20 for shirts and \$15 for tanks. The other members of the committee and I will work on getting to meetings around the OTW area to offer the merch there. Of course, if anybody has any questions or would like to place an order, feel free to email us at [otwmerch@gmail.com](mailto:otwmerch@gmail.com) and we will work to get that delivered. Thank you for letting us serve.

**Literature:** Dave A. reporting – April was a somewhat slow month even though I placed 2 orders. A new order will be placed soon to accommodate the Fun Addicts wishing to buy chips

instead of key tags for birthdays as well as to replace items sold. They are a little cheaper but different and have been available for a long time. The order sheet will be updated to include them for future reference. A new space will be added for the SPAD book which one assumes will be ready for order in June. Luckily, I didn't miss many orders while I was away. Those will be filled post haste along with H&I and PI.
