A Secular Meeting of Narcotics Anonymous: Britt B. reporting- A Secular NA Meeting

We meet online on Tuesday, 7pm MT. We are a Zoom meeting with an average attendance this month of 20 recovering addicts. We continue to average 3-4 newcomers every week who are looking for an NA message of recovery as a Secular person.

We share a clear NA message and all are welcome to come check us out on Zoom. Our meeting information is Meeting ID # 89195180198, Password # 972698.

We will celebrated our one-year online anniversary on February 15, 2022!

We were saddened to learn that a member, Anthony B of Australia; passed this past week due to complications of Diabetes. Anthony was a large part of the NA community in Australia as well instrumental to the growth of the Secular NA community. Anthony died with 30+ years of recovery and will be greatly missed by the community. We will observe a moment of silence for Anthony at the meeting on 3/8/22.

We have a Birthday meeting the first Tuesday of every month. The second Tuesday of the month is a short speaker share on their favorite passage from NA literature. Bob B. from Florida will be sharing his favorite reading on 3/8/22.

Our Group Conscience occurs on even months only. All are welcome to attend our Group Conscience meetings.

We continue to operate as a meeting only and have not formed into a Home Group at this time. We do not have trusted servants nor do we take a 7th tradition at this time.

Officer Reports:

Chair Shane R.- Good morning ASC.

I am Grateful for this day clean, and to be of service with all of you today.

Very little to report this morning.

There is no clear completion date on the Odd Fellows lodge at this point.

It is essential that we find a vice chair for the ASC. It is my hope that members of this body actively encourage members of the area to come forward.

Although it is been a deep honor and my priviledge to serve this area and this body as ASC chair, it is not my intention to commit to a second term.

The needs of my family must take precedent on the weekends.

I will, of course, serve this body if it is necessary, but I do hope to focus my service in other directions at the conclusion of my current term.

As always, the Unity of the Off the Wall Area humbles me.

In Loving Service,

Shane R.

Vice Chair: -Open

Treasurer Trino F.- Good morning ASC,

We started the month of February with \$905.97. Our total income for the month was \$1206.95. Our total expenses for the month was \$525.67. Our closing balance was 1587.25. I did our world donation of \$500.00 yesterday. It will be reported on for the month of March. We had a glitch with our debit card and Sohail paid for the Area Meeting list form his personal account. I have reimbursed him \$46.25 that will be seen in the March report.

Assistant Treasurer Dana I: Good morning Off The Wall Area... Just a few things to report....

- I checked the PO Box last week – there was only 1 lonely piece of mail (Canvas monthly bank statement)
- ASC's VENMO account (@Jimmy-Kinnon-2) is currently linked to the literature chair's personal cell phone #, as he was the former Treasurer. To continue in a direction of streamlining ASC funds directly into ASC bank accounts, and minimizing the need to re-forward money amongst members, Dave and I will work together to transition the VENMO account. As always, as Trino mentioned, groups can utilize the OTW Paypal

account for electronic funds, or deposit cash directly into the area's Canvas bank account (**Off The Wall Area** account name).

- Trino, Shane and I are working to schedule time to get together this month to perform last year's annual treasury audit. Due to personal schedules and covid limitations, this did not take place in July for reporting at August ASC as our guidelines define. More to come on that.

In Loving Service,
Dana I.
Asst. Treasurer

Secretary: Shell H-Missed 2 reports last month and had to resend. Sorry about that! I'll resend the February minutes with Trino's correction. Please send all reports to otwsecretary@gmail.com.

Hospitals & Institutions: Shawn H. reporting – 03/05/2022 H&I report

Greetings NA family,

H&I continuing to make strides forward with carrying the message of NA into facilities. We are now going into True North, Wings, and both Larimer County jails.

Updates from our subcommittee meeting:

☐ We have elected Anthony G as the panel lead for True North. He will be taking over for James R.

☐ James R has been elected as the panel lead for the North Point facility. We are working to have meetings up and running there next month. We have panel members signing up and need to finalize a few details with the facility before meetings begin. We are very excited to have our 5 th facility up and running.

☐ We removed the Panel Coordinator position from the guidelines and those have been updated and saved to the H&I cloud storage.

☐ H&I currently has the secretary position open. We will also be needing a Vice Chair in the coming months. Panel members are also needed. Please continue to spread the word that H&I needs your help.

☐ We have far more facilities reaching out for meetings than we can offer at this time. We are doing our best to prioritize them and work on finding members willing to carry the message, but we need more volunteers. Please announce H&I needing help in your homegroups.

☐ If members want to help carry the message into facilities, but don't want to commit to specific dates and times, we are also looking for panel members that we can call when needs arise to fill in. This would be a great way to serve when able, and not have to overcommit.

☐ I did attend the Regional H&I Subcommittee meeting and that went well. Region is putting on a weekly virtual meeting that can be accessed anonymously by facilities. This will be a big help for facilities that might not meet the requirements for an H&I meeting or in the interim until H&I has panel members able to carry the message in. Region records the meetings and then offers this up to facilities or members unable to access outside meetings. They are also looking for volunteers to speak in one of these meetings. The recordings are not available for future use if the addict does not give permission. Also, they are also only viewable through the portal and not able to be downloaded or distributed, for anonymity's sake. Reach out for more information if you would like to share your story on one of these meetings.

We have a lit order of \$8.00 this month.

Merchandise: Patrick G. reporting – There were six members present at our subcommittee meeting held on 2/27. We voted on a logo, as well as styles and colors for the upcoming spring merch. We haven't heard back from all of our suppliers yet regarding bids. We were hoping, if

the body is okay with it, to push back our disbursement until next month. By then, we should have all of the bids submitted to us and will be able to present the body with more information. Thanks for letting us serve.

Chair: Patrick G.

Literature: Dave A. reporting – Lit was hand delivered to Girls and Gays, WATEOR, Breaking the Cycle, Fun Addicts, and Hope Shot. The order is ready for the Solutions group and await info about getting it to them. FFI and Steps and Traditions picked up their orders. The PayPal account for the area is under otwtreasurer@gmail.com not under otwliterature. At least one group tried to pay the latter which won't work. A deposit will be made this week of cash given to Lit. Venmo purchases were transferred to the bank account. ILS
