

At the last World Service Conference of NA, four Issue Discussion Topics (IDT's) were decided to be worked on before the next WSC in 2026. That seems like a long way off, but much work needs to be done. To that end, we'll have a workshop to discuss the issue of gender neutral and inclusive language in NA lit. To find out more follow this link to the NAWS website for an outline of the discussion, questions, and the PowerPoint we will be following.
