RCM1 – Dave A. – RCM1 report to OTW ASC 12/1/24

First off, thanks to Dave L. for covering for me for the November ASC. We were in attendance at the November RSC where Dave gave a report about the New Year's Eve event. The next RSC is in mid-January. The next assembly is in Grand Junction in April. Dave and I plan to attend it that in person.

The region is moving to have all zoom addresses be on the same domain – nacolorado.org. This means that our SC's that use zoom for meeting will have a different login. That is close to being set up and when it is ready that info will be passed on to them as well as the chair. As an aside we do have the ability to do webinars up to 100 people if that becomes something that we want to do in the future. The regional web servant will then be in charge of helping areas and their SC's as well as regional SC's for their needs. Hopefully, he is up to the task.

I want to reiterate that the interim car is more digestible than the normal car and urge GSR's and any interested members to attend one, or both, of the upcoming webinars on the 14th and 28th. They should only be around two hours long and well worth the time to participate actively in N.A.'s future.

Lastly, I want to mention the women's retreat next August. Yes, it seems far away but they are having their contest for a logo and theme and have started having mtgs for their food SC on the second Friday monthly on zoom. Last year's chair in her final report made the effort to call out OTW for never having mentioned the convention in group announcements. I was surprised at that because I saw flyers for their activities and registration, etc, in many FtC mtgs and personally announced scholarships for attending. But I want to make sure it is emphasized to apprise local members of what is happening. You can go to the regional website at nacolorado.org under For NA Members > women's retreat to get the flyers for the logo contest and a call for speakers.

RCM2—Dave L.
