## Hospitals & Institutions

Hello, the H&I subcommittee met at 10:30am on Saturday February 1st. We are moving forward with a new meeting at Harmony Treatment center in Estes Park. It will be on 1 or 2 Fridays a month at 7:30-8:30pm, a start date has not yet been established. We are working on getting more panel members for Wings and Longview detox in order to introduce weekly meetings in those facilities rather than every other week. Longview in Fort Collins could use more women and Greeley Detox could use more men on their panels.

We also discussed results from the Ad Hoc committee and the H&I subcommittee is pretty universally opposed to merging with PI, especially without further details on specifics. But we are committed to working closely with PI and collaborating more.

In Loving Service,  
Jesse T.

Attendance is steady, typically averaging between 10 & 20 addicts. 7th tradition collection remains a challenge and we have initiated some discussion on solutions in an increasingly cashless culture. All of our executive and primary chair positions are filled but we do have service positions available. We have a lit order of \$47.50. We have no area donation at this time. No wants, no needs.
